Abrevieri, simboluri / Abbreviations, symbols:

U.M	unitate de masura / unit
m	limita minima a intervalului / interval minimum limit
M	limita maxima a intervalului / interval maximum limit
n	numarul de esantioane care constituie proba / number of units comprising the sample.(conform Reg. (CE) nr.2073/2005 si Ord. 27/2011 cu modificarile si completarile ulterioare / according to Reg.(CE) nr.2073/2005 and Ord . 27/2011 with subsequent amendments)
c	numarul de esantioane care pot avea valori intre m si M / the number of samples that can be set between m and M (conform Reg. (CE) nr.2073/2005 si Ord. 27/2011 cu modificarile si completarile ulterioare / according to Reg . (CE) nr.2073 / 2005 and Ord . 27/2011 with subsequent amendments)
LOD	limita de detectie / detection limit
LOQ	limita de cuantificare / quatification limit
Ma log	media aritmetica logaritmica zilnica / daily arithmetical logarithmic average
EAN	numar european de articol / european article number

Observatii/ Notes

- 1) Analize neacoperite de acreditarea RENAR (conform ISO 17025) . Pentru detalii suplimentare, solicitati certificatul de acreditare la adresa de email „office@unilab.ro” . / Analyses uncovered by RENAR accreditation. For more details, ask for accreditation certificate at email adress „office@unilab.ro”
- 2) Limite aplicabile la sfarsitul procesului de fabricatie/tehnologic / Applicable limits at the end of the production process / technology .
- 3) Limite aplicabile pentru produse introduse pe piata in timpul perioadei de conservare/Applicable limits to products placed on the market, during shelflife.
- 4) Limite aplicabile pentru produse prelevate in timpul procesului de fabricatie/tehnologic./ Applicable limits to products takenmduring the production process / technology .
- 5) Limite aplicabile inainte ca produsul sa fi iesit de sub controlul producatorului. / Applicable limits before the product has left the manufacturer's control.
- 6) Limite aplicabile pentru carcase dupa preparare, dar inainte de refrigerare. / Applicable limits to carcasses after preparation, but before refrigeration.
- 7) Limite aplicabile pentru carcase dupa refrigerare./ Applicable limits to carcasses before refrigeration.
- 8) Pentru a putea determina valori mai mici de 10 ufc/g s-a utilizat un volum de diluant mai mic (20 ml diluant/10g produs) / To determine values below10 cfu / g it was used a lower diluent volume (20 ml diluent / 10 g product).
- 9) Concluziile si interpretarile continute de prezentul buletin de analiza nu sunt acoperite de acreditarea RENAR / Conclusions and interpretations contained in this test report are not covered by RENAR accreditation.
- 10) Conductivitate citita la temperatura de referinta de 20°C. / Conductivity read at 20°C, reference temperature.
- Rezultatele si interpretarile analizelor se refera strict la proba testata / The results and interpretations refers only to the tested sample.
- Prezentul buletin de analiza a fost emis in format electronic. / This test report was issued in electronic format.
- Numarul buletinului de analiza coincide cu numarul de inregistrare al probei in Registrul de Primire Probe (RPP). / The test report number correspond with the sample registration number in the Receipt Samples Register (RPP).
- Operatiunea de prelevare a probelor nu face obiectul activitatii laboratorului, aceasta responsabilitate revenind beneficiarului. /The sampling operation is not subject to the laboratory's activity, this responsibility resting to the beneficiary.
- Laboratorul Unilab nu isi asuma raspunderea pentru diferentele calitative existente intre proba analizata si produsele comercializate de beneficiar. / Unilab laboratory assumes no liability for existing qualitative differences between the analyzed sample and the products sold by the beneficiary.
- Factorul de extindere pentru incertitudinea de masurare declarata este k=2, la un nivel de incredere de 95%. / The extension factor for the declared mesurement uncertainty is k = 2, at 95% confidence level.
- In prezentul document sunt utilizate semnaturi olografe electronie / In this document are used electronic holographic signatures.
